Authorization for
Colonoscopy/Endoscopy/Sigmoidoscopy

Patient’s Name: ___________________________________

I hereby authorize Dr._____________________________ to perform the following surgery
procedure/treatment:

- Colonoscopy with polypectomy and / or biopsy
- Upper endoscopy with biopsy or dilatation, if indicated
- Flexible sigmoidoscopy with biopsy / polypectomy

I understand that residents, medical students, physician assistants and/or advanced practice registered
nurses may also be in attendance, and/or assisting in the performance, and/or performing significant
medical/surgical tasks within the above specified surgery and/or special procedure/treatment. In addition, I
understand that there may be unforeseen circumstances that are encountered while performing the above
listed surgery and/or special procedure/treatment that require the assistance of other qualified medical
personnel who have not been identified.

I have had explained to me in connection with the proposed surgery/procedure/treatment: (i) the nature and
purpose of the proposed surgery/procedure/treatment; (ii) the foreseeable risks and consequences of the
proposed surgery/procedure/treatment, including the risk that the proposed surgery/procedure/treatment
may not achieve the desired objective; (iii), the alternatives to the proposed surgery/procedure/treatment
and the associated risks and benefits to such alternatives; and (iv) the reasonably foreseeable risks and
alternatives to the transfusion of blood and blood products should I need a blood transfusion.

Specifically, in obtaining my informed consent to the surgery and/or special procedure, I have been
informed of the following reasonably foreseeable risks:

- Organ puncture / need for emergency surgical repair.
- Blood vessel damage / bleeding.
- Minor complications include dental injury and sore throat.
- Heart or lung problems, needle site irritation, nausea, vomiting and sleepiness from sedation /
  analgesia
- There is a small possibility of a missed diagnosis.
- Complications may occur even when a procedure is properly performed.

__________Patient initial
I am aware that, in addition to the reasonably foreseeable risks described, there are other foreseeable risks, which have been discussed with me, but are not listed. I affirm that I understand the purpose and potential benefits of the proposed treatment and/or special procedure, that no guarantee has been made to me as to the results that may be obtained, and that an offer has been made to me to answer any of my questions about the proposed surgery/procedure/treatment.

I agree to the use of anesthesia and/or sedation/analgesia as required, and if applicable, the disposal of any tissue removed.
I also authorize the Hospital and the above-named physician(s) to photograph, video and/or use any other mediums which result in the permanent documentation of my image for medical, scientific or educational purposes, provided my identity is not revealed by them. I agree that any photographs taken pursuant to this authorization, which are not required by law to be retained, may be disposed of by the Hospital so long as the manner of disposition shall be permanent destruction.

This consent may be revocable by me at any time, except to the extent it has already been relied upon.
