

**Authorization for
Roux-en-Y Gastric Bypass**

Patient's Name: _____

I hereby authorize Dr. _____ to perform the following surgery and/or special procedure/treatment:

Laparoscopic Roux-en-Y Gastric Bypass

I understand that residents, medical students, physician assistants and/or advanced practice registered nurses may also be in attendance, and/or assisting in the performance, and/or performing significant medical/surgical tasks within the above specified surgery and/or special procedure/treatment. In addition, I understand that there may be unforeseen circumstances that are encountered while performing the above listed surgery and/or special procedure/treatment that require the assistance of other qualified medical personnel who have not been identified.

I have had explained to me in connection with the proposed surgery/procedure/treatment: (i) the nature and purpose of the proposed surgery/procedure/treatment; (ii) the foreseeable risks and consequences of the proposed surgery/procedure/treatment, including the risk that the proposed surgery/procedure/treatment may not achieve the desired objective; (iii), the alternatives to the proposed surgery/procedure/treatment and the associated risks and benefits to such alternatives; and (iv) the reasonably foreseeable risks and alternatives to the transfusion of blood and blood products should I need a blood transfusion.

Specifically, in obtaining my informed consent to the surgery and/or special procedure, I have been informed of the following reasonably foreseeable risks:

- Possible failure to loose weight
- Leaking from connections that are made
- Infection
- Blood clots that can travel to my lungs and be fatal
- Hair Loss
- Fistulas

Long Term Complications:

- Narrowing of the surgical connections (strictures)
- Ulcers
- Hernias
- Nutritional deficiencies
- Death
- Low Blood Sugar
- Possibility of converting to an open operation
- Extra skin requiring plastic surgery
- Enlargement of the stomach pouch
- Intestinal blockage requiring surgery
- Bleeding or perforation that may require a second operation or blood transfusion

_____ Patient initial

I am aware that, in addition to the reasonably foreseeable risks described, there are other foreseeable risks, which have been discussed with me, but are not listed. I affirm that I understand the purpose and potential benefits of the proposed treatment and/or special procedure, that no guarantee has been made to me as to the results that may be obtained, and that an offer has been made to me to answer any of my questions about the proposed surgery/procedure/treatment.

I agree to the use of anesthesia and/or sedation/analgesia as required, and if applicable, the disposal of any tissue removed.

I also authorize the Hospital and the above-named physician(s) to photograph, video and /or use any other mediums which result in the permanent documentation of my image for medical, scientific or educational purposes, provided my identity is not revealed by them. I agree that any photographs taken pursuant to this authorization, which are not required by law to be retained, may be disposed of by the Hospital so long as the manner of disposition shall be permanent destruction.

This consent may be revocable by me at any time, except to the extent it has already been relied upon.
