

ALUMNAE ASSOCIATION
HARTFORD HOSPITAL SCHOOL OF NURSING, INC

Dear Fellow Alums:

At our last Banquet in September of 2022, we spoke of the likelihood of the dissolution of our Alumnae Association within the next four to five years. As another year has passed and with it the loss of a beloved board member, Kathleen Boyd Didier Class of 1969, the Board has made the decision to move forward. This was not an easy decision, but due to the complexity of running our association and the intense work and dedication it takes, we believe it to be the right decision.

The time table that the board has agreed upon is as follows:

- Our last Banquet will be held September of 2026, at which time we will celebrate 50 years for the class of 1976, the last graduating class of our illustrious school.
- The Medical fund will also come to an end with the last submission of medical receipts to the Medical Committee no later than December 1, 2025. Receipts received after that date will not be honored.

Also, any Board member will be happy to answer any and all questions.

Let's look forward to the next few years with love and gratitude and celebrate our annual banquets with more happiness and joy than ever before!

In Friendship and Appreciation,
Mary Jane Densmore, President
Pat Ciarcia, Executive Director
