

Fall 2024 Projects

Two times a year in the Fall and Spring, the Hartford Hospital Auxiliary grants funding to Hartford Hospital Departments for Projects that meet specific requirements reflecting the Hospital's values of Integrity, Caring, Excellence, Safety and Equity.

On November 12, 2024 the Auxiliary voted to approve fourteen Projects totaling \$235,188.

The following are the approved Projects:

\$34,505 to the Department of Medicine for an ultrasound System to provide bedside ultrasounds for the Point of Care-Cardiac.

\$33,856 to Department of Surgery to replace and upgrade the ultrasound for the Inpatient Procedure Team.

\$33,600 to the Nursing and Patient Care Services for a Virtual Patient Observation Unit for the Emergency Department.

\$21,125 to the Inpatient Rehabilitation Unit for a integrated Therapy/Balance System-a software based therapy platform.

\$18,834.75 to Bliss 11 to fund two Stryker TruRize Chairs that assists in the mobility initiative for patients.

\$17,645 to Center 12 to purchase a communication device to support a goal of independence to the chronic ventilated patient population.

\$16,416 to HHC Cancer Institute for a ECG Machine for the Infusion Center.

\$11,568 to the Emergency Department for a Transfer Scale weighing patients specifically stroke patients.

\$11,391 to LIFESTAR for a new Glidescope Go's and blades.

\$10,726 to Bliss 8 to purchase a Bladder Scanner.

\$10,604 to the Chemistry Lab for new pipettes.

\$8,484 Bliss 11 Step down Unit for a blanket warmer and peritoneal dialysis warmer.

\$3,354 to the Institute of Living-Schizophrenia Rehabilitation Department for audio visual equipment to improve patient experience and assess care.

\$3,079 to the Barney Fitness Center to replace exercise equipment.
