Pediatric Respiratory Emergencies

Michael J. Soltis MD, MS

Dr. Soltis is an attending physician at Connecticut Children's Medical Center, Division of Pediatric Emergency Medicine. Dr. Soltis serves as vice-chair of the North Central CT Regional EMS Medical Advisory Committee and is very active with developing Regional and State EMS protocols and systems of care.

Dr. Soltis will guide attendees to a better understanding of performing a respiratory assessment of pediatric patients, common presentations of pediatric respiratory emergencies and interventions to manage pediatric respiratory emergencies.

Wednesday, November 3, 2021, 6:30pm-8pm
