Hartford Hospital has updated our visitation policy. As Covid-19 vaccinations in our state continue, we are being thoughtful with adjusting with your safety in mind. As of May 26th, the visitation for Maternity and North 8 is the following and applies to ages 16 and up:

**Labor & Delivery:**
Two designated support persons allowed (if the patient has a doula, the doula is considered the second support person). If having a scheduled c-section, only one support person is allowed.

**Postpartum:**
One designated support person is allowed 24/7. An additional visitor is allowed one at a time during normal hospital visitation hours from 12pm-8pm.

**North 8 Antepartum:**
One designated support person is allowed 24/7. An additional visitor is allowed one at a time during normal hospital visitation hours from 12pm-8pm.

**North 8 Post-surgical and Medicine:**
Two visitors allowed in either a private or semi-private room during normal hospital visitation hours from 12pm-8pm.

Please know that masks are required at all times and Covid-19 symptom checks will be performed at hospital entrances. No visitors under 16 years of age are allowed.
